

Quick Guide to your Part D Annual Review

It's a good idea to review your Medicare Part D Prescription Drug Plan each year. Plans can change, and so can your needs. This simple, step-by-step guide will help you through the process.

Step 1: Gather the information you need:

- Your medicare card
- Your current plan card
- A list of your prescription drugs
- Your choice of pharmacy

Step 2: Use your resources:

- Medicare.gov Plan finder online tool
- Call Medicare at 1-800-633-4227
- Contact your local SHIP office at 877-839-2675 or www.shiphelp.org

Step 3: Get quotes:

- Use the Medicare.gov Plan Finder Online Tool guided screens
 - Name, address, and general details
 - Answer questions about program assistance (if unsure, select “No”)
 - Add your prescriptions and pharmacy preferences

Step 4: Compare results:

- Sort plans by “lowest drug + premium cost”
- Review plan benefits vs. your current plan
 - Monthly premium
 - Total annual drug + premium cost
 - Deductible
 - Star ratings

Step 5: Dig into a plan further:

- Click “plan details”
 - View monthly drug costs at your pharmacy
 - Check when/if you’ll hit the different cost stages
 - Check your prescription tiers

Step 6: Enroll

- If you find a better option, self-enroll by completing the application

We’re here to support you through the process. Give us a call or contact Medicare for additional help.

This is a general guide to assist with self-enrollment and is not a complete reference. In addition, you should have received “Your Guide to Medicare Drug Coverage”.
